

Individual Membership Program Benefits

The mission of First Candle/Sudden Infant Death Syndrome (SIDS) Alliance is to promote infant health and survival during the prenatal period through two years of age through programs of advocacy, education, and research, while at the same time providing compassionate grief support to those experiencing a SIDS or other infant loss.

To enhance our ability to fulfill this mission, First Candle/SIDS Alliance partners with individuals and groups at the national, state, and local levels who are concerned about infant health and survival. Provided below you will find a list of benefits available through our **Individual Membership Program**.

We are available to answer any questions you may have. Please feel free to contact us directly at 800.221.7437 for more information. We thank you for considering membership . . . in the belief that every baby should live.
